

Prayers & Squares Quilt Request

Quilt Number

1. Before requesting a prayer quilt, you must ask the person you wish to give a quilt to if they would accept our prayers in the form of a prayer quilt. Because of the HIPPA laws we cannot announce a persons medical conditions without their permission. We must respect the privacy of others. We do not want to surprise or embarrass anyone.
2. A prayer quilt is a gift of love from St. Andrew's congregation for those in spiritual, emotional or physical crisis. It should not be considered any gift other than a tangible reminder of God's love and eternal presence.
3. Remember... "It is not about the quilt, it is all about the prayers".
