U P D A T E

ADDITIONAL CONSIDERATIONS FOR PLACES OF WORSHIP

- No coffee/fellowship time on the courtyard (or anywhere else)
- No singing or group recitation (Lord's prayer, creed, responsive readings)
- Modification of communion practices to avoid possible spread of the virus. This means our circle around the altar, receiving bread and wine/juice from another person, and holding hands in the circle must all be discontinued. A new way of communing will have to be developed.
