

ELECTRONIC / ONLINE GIVING

St. Andrew's offers multiple methods of giving using a computer, tablet, or smartphone, including our own app available through the App Store. Our app allows you to easily give a one-time gift or recurring gift, and you have the ability to give from your smartphone anytime and anywhere!

If you have questions or need assistance, please contact Sara Zimmerly in the church office (619-464-4211)

To give using a laptop or desktop computer:

- Visit our website at www.standrewslutheran.church and click the "Donate" tab at the top right corner of the screen/page. You have the option of a one-time gift or setting up a recurring gift.

To give using the St. Andrew's App on your tablet or smartphone:

- Search for **StAndrewsSD** (or St. Andrew's San Diego) in the App Store
- Download the app
- Set up your donation using the "Give" icon at the bottom middle of the screen

You can also download the app by sending a text and receiving a direct link to the app. To use this method, follow these steps:

- Open your text message app
- In the "to" field put 77977 (it may automatically format to 779-77)
- In the body of the text message type **STASDAPP**
- You will receive an immediate reply with a link to the app, which you can then download

You can also donate via text without downloading or using the app. To use this method, send a text to 77977 and type **STASD** in the body of the text. You will receive an immediate reply with a link for your donation. **Please note, the code is different from the text for a link to the app.**

If you have any questions about our app, contact the church office or our Council VP Brian McMullen.

In addition to allowing electronic donations, our app also keeps you up to date with things that are happening in our life and ministry at St. Andrew's.

You can also give on your smartphones or tablets through the **Venmo** app. This app is a widely used method of payment for a growing number of people. You can use Venmo for more than just donations to St. Andrew's. You can use your credit card, or link it directly to your checking account. No fees are charged if you link directly to your bank account. Find us **@StAndrewsLutheran-Church** in the Venmo app.
